FLY KID

飛奇兒體操

A woman with short dark hair, wearing a bright pink polo shirt with white trim, is smiling and holding a baby upside down. The baby is wearing a white t-shirt and dark shorts. The woman is holding the baby's hands, which are gripping a grey horizontal bar. The baby's head is tilted back, and they appear to be laughing or playing. The background shows a play area with blue and green mats, a yellow wall, and some equipment. The text "烤乳豬" is overlaid on the image in a black, sans-serif font.

烤乳豬

The image shows a vibrant indoor playroom. The walls are decorated with a large mural featuring the text 'FLY KIDS' in bold, colorful letters. The mural also includes a cartoon character with wings, a rainbow, and various letters and shapes. The floor is covered in blue matting with colorful geometric patterns. In the foreground, there are several colorful soft play blocks and beams in shades of green, blue, red, and yellow. To the left, there is a white safety net. The ceiling has modern lighting fixtures.
